

SPOTLIGHT

Harry's

By Kimberly Smith, Midlands MSR

Harry's located on Two Notch Rd. has quickly become a favorite stop in Northeast **Columbia**. Harry, the owner, appreciates all of his customers. His philosophy is to provide great customer service by valuing a player's time, having a pleasant attitude and being knowledgeable about lottery products. This great service has increased their sales tremendously over the years, and now Harry's is #6 on the Lottery's Million Dollar Sales Club list.

Harry contributes his success at selling lottery tickets to dedicated staff, fully stocked ticket dispensers and support from his Marketing Sales Representative. The players love his monthly Harry's Picks, in which he selects random numbers and places them on his famous white board on an easel near the door. If the numbers are selected in the drawing, he circles them in red.

Each year Harry conducts a second-chance drawing in partnership with the Lottery. In January, his prizes included a 65-inch television, 50-inch television and two \$50 gift cards. Harry loves to give back!

Jigesh, Harry's son, has a very aggressive goal of being the #1 lottery retailer in South Carolina and is striving to increase their average weekly sales to exceed \$100,000 per week.

Did I Win? Now There's an App for That!

“Is this a winning ticket?” You get this question a lot as a South Carolina Education Lottery retailer. And now, there's an app for that!

Have your lottery players download our new Players' Club App to find out if their ticket is a winner, view draw results and enter second-chance promotions – all right from their smart phone or device. The Players' Club app is free and available in the App Store and Google Play.

The new app will be available for download starting Tuesday, April 13, 2021, and will replace the previous Lottery app.

The apps new built-in ticket checker is sure to be a hit.

Players have been asking for a ticket checker, and this one's really simple to use. With their camera, players can scan the barcode on the front of their lottery tickets to find out if they're a winner and for how much. There's more. If their ticket's not a winner, but eligible for entry into a second-chance promotion, the app will let them know.

Entering second-chance promotions has never been easier. Forget about typing in those long ticket numbers, instead players can use the app to quickly scan and enter their tickets.

Also at their fingertips, the Lottery's latest draw results, details on our scratch-off games and a handy retailer locator. Even more enhance-

ments are coming soon to the app, like digital play slips! Digital play slips allow your players to save their favorite numbers for ease of future use. You just need to scan the barcode on their smartphone or device to print a ticket.

To enjoy all of these great features, players will need to sign in to the app with their Players' Club username and password.

Not a Players' Club member? Tell your players it's free to join either through the app or at sceducationlottery.com. Players' Club members are the first to know about new games, promotions and exclusive giveaways.

Lucky for Life Game Ending in South Carolina

The Lucky for Life game is ending in South Carolina. The Lottery's final Lucky for Life drawing will be held on Monday, June 28, 2021. Leading up to the last drawing, the number of multi-draws available for purchase will be decreasing. The game's draw down will start on Thursday, April 22, 2021, when 19 instead of 20 multi-draws will be available for purchase. The Lottery would like to thank you for supporting the Lucky for Life game that debuted in South Carolina in January of 2015. As of this printing, Lucky for Life has produced one top prize winner of \$1,000 a Day for LIFE and 19 \$25,000 a Year for Life winners in our state.
